HITCHCOCK INDEPENDENT SCHOOL DISTRICT
District Improvement Plan 2017-2018

Texas Public Education Mission Statement

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

Texas Public Education Goals

The students in the public education system will demonstrate exemplary performance in:

- reading and writing of the English language
- understanding of mathematics
- understanding of science
- understanding of social studies

Texas Public Education Objectives

1. Parents will be full partners with educators in the education of their child.
2. Students will be encouraged and challenged to meet their full educational potential.
3. Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.
4. A well-balanced and appropriate curriculum will be provided to all students.
5. Qualified and highly effective personnel will be recruited, developed, and retained.
6. The state's students will demonstrate exemplary performance in the comparison to national and international standards.
7. School campuses will maintain a safe and disciplined environment conducive to student learning.
8. Educators will keep abreast of the development of creative and innovative techniques to improve student learning.
9. Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.
