## Field Day 2008

“The Olympics”

“Swifter, Higher, Stronger”

Classes will soon be researching The Olympic Games. This year the games will be held in Beijing, China. The first game was in Athens, Greece in 776 B.C.

In preparation for our annual Field Day, the Social Studies, Math and PE, curriculum will include learning activities from the nations of the world in a spirit of collaboration and brotherhood.

Each grade level will represent a different nation at the *Olympic Field Day*. All students will study the history and culture of the country of the nation selected to represent. The countries will display their flag at the Parade of Nations on Field Day!

In keeping with tradition our own Mayor of Hitchcock will be the grand parade marshal of our **Opening Olympic Games Ceremony** and “Parade of Nations” as in years past!

If you care to volunteer with Field Day please contact **Coach Uhlman by phone or e-mail**. Together we will create a wonderful fun, active, Olympic learning experience for the students.

**Mrs. Brantley**, our supportive cafeteria manager is assisting with the “**American Village Lunch**” for all nations!
