

Hitchcock I.S.D.
Student Health Advisory Council
Quarter III – 2009-2010
April 19, 2010

**SHAC Meeting on April 19, 2010 @ Hitchcock Primary Conference room
Start time: 3:30pm.**

Introductions/Attendance- Darlene Blackwell, RN – Head start

- I. Old Business:
 - a. Alcohol awareness/binge drinking: included in AIM for Success-SB1344: will continue this in 2010-2011 with community outreach programs provided by UTMB and Teen Clinic.

- II. New Business:
 - a. School Health Annual Review to Board: Council reviewed programs and annual school health survey. Approval made by all members to forward to HISD Board for May meeting.

- III. School Health Program
 - a. On-going: Will work with Chartwells to develop required plan for measuring implementation of our local wellness policy as required in the Child Nutrition and WIC Reauthorization Act of 2004. Comparing Acanthosis students for measuring.
 - b. Continue to support and encourage lessons from Healthy and Wise/Sparks Curriculum at Primary and Crosby. 2010-2011 will set up teacher in-service at each campus. This will include PK-8.
 - c. Per the State districts do not have to offer Health Education to graduate, Hitchcock ISD will continue to offer health education. Health Education will continue in the Junior High Physical Education Classes.

- IV. Discussion: Ms. Bilek brought to the discussion on how to provide a mid-morning snack about 9:30a.m. to middle school students.

- IV. Meeting for Quarter IV will be scheduled in May 2010 – TBA. Meeting adjourned at 4:30pm
