

Hitchcock I.S.D.
Student Health Advisory Council
Quarter III – 2009-2010
May 10, 2010

SHAC Meeting on May 10, 2010 @ Hitchcock Primary Conference room
Start time: 4:00pm.

Introductions/Attendance- Melynda Moulden-HS Coach, Health Ed teacher

- I. Old Business:
 - a. School Health Annual Review to Board: Council reviewed programs and annual school health survey. Approval made by all members to forward to HISD Board for May meeting.

- II. New Business:
 - a. Health Education reviewed for High School and Jr. High. Glencoe:Tx Edition 2005 does not have the correct food pyramid. Adoption of updated text books does not happen until 2016. Coach Moulden is supplementing information from CDC websites to ensure students are taught the correct information. SHAC council approved adding the Health and Wise curriculum to High School in 2010-2011, if this grade level is available from them.

- III. School Health Program
 - a. On-going: Will work with Chartwells to develop required plan for measuring implementation of our local wellness policy as required in the Child Nutrition and WIC Reauthorization Act of 2004. Comparing Acanthosis students for measuring.
 - b. Continue to support and encourage lessons from Health and Wise/Sparks Curriculum at Primary and Crosby. 2010-2011 will set up teacher in-service at each campus.

- IV. Discussion: Moving SHAC in 2010-2011 to PTO/PTA meetings to include more parents.

- IV. Meeting for Quarter IV will be scheduled in May 2010 – TBA. Meeting adjourned at 4:30pm
