AVOIDING THE RISKS

January 3, 2011

Cheryl Moffet, Nurse  
Hitchcock ISD  
8117 Hwy 6  
Hitchcock

Dear Ms. Moffet:

Thank you for giving us the opportunity to encourage the students at Hitchcock ISD (HISD) to make responsible sexual choices. The following are the survey results taken after the presentations on November 11, 2011. We have also provided the average results from the 73,486 students surveyed during the 2010-2011 school year (AFS). This allows you to compare your students with other students across the country.

1. **Demographic Information of (HISD) Respondents:**

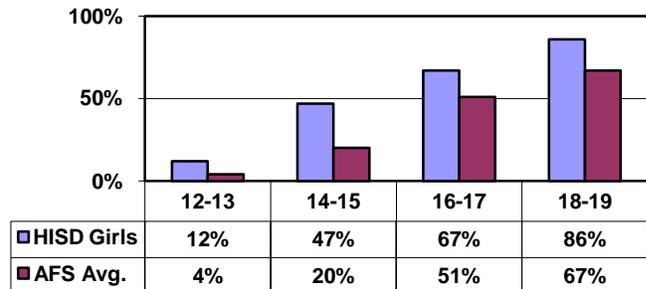

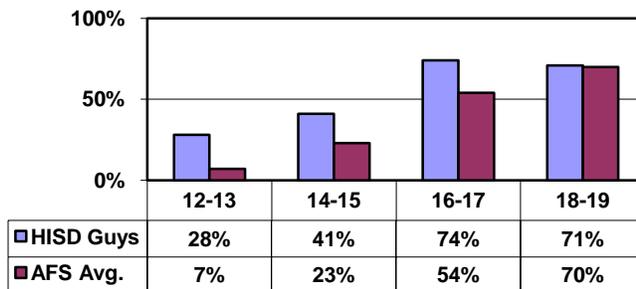

A. **Age:**

Total: 328	12-13 yr. olds	14-15 yr. olds	16-17 yr. olds	18-19 yr. olds
Guys	40	46	38	14
Girls	52	73	58	7

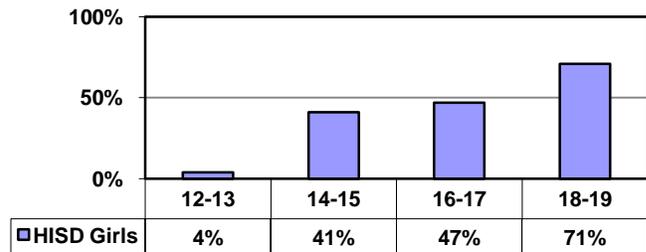

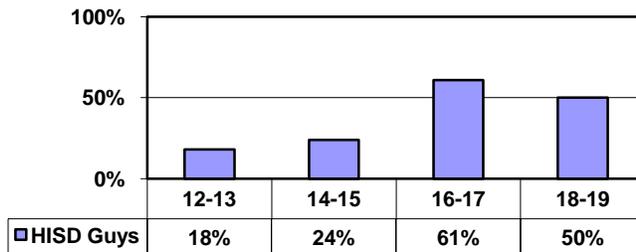

2. **How would you rate the presentation?**

	Excellent	Good	Fair	Poor
Hitchcock ISD	59%	30%	10%	1%

3. **Have you ever had sex before?**

4. **Have you had sex in the last 6 months?**

5. **Will you wait until marriage to have sex?**

	Yes	No	Not Sure
All (HISD) Students = 328	36%	20%	44%
Sexually Active (HISD) Students = 153	16%	36%	48%

**6. Have you learned anything new as a result of the presentation?**

"Yes" – 78% (256 HISD students)

We believe these statistics are very encouraging! The fact that **89%** of the students rated the program **Excellent or Good** indicates they appreciate the concept of abstinence until marriage. The positive impact of this is evidenced by the results showing **98 of the 153 students** who previously had sex will now wait until marriage or are considering waiting. Our desire is to help all the students at **Hitchcock ISD** build strong, responsible character as they *Aim for Success*. We look forward to presenting one of our other programs to your students in the future and working with you to guide teens towards their dreams and goals.

Sincerely,

Stacey Sheehan  
Data Entry Coordinator

I'm happy to save my virginity for my husband.  
I learned a lot and I have abstinence.  
Why are all these things possible to happen when you have sex?  
You were hilarious!  
Thank you for this talk.  
I have made my decision to wait three years ago. I think you have given me more info to wait. Thank you.  
I learned something from this program and now I know what to do and what not to do.  
Well...as long as I'm still a virgin...  
I have learned I hate my past.  
Sex is not good and if you have sex, how will it affect your period.  
This program was great. I learned something very important, not having sex!  
You made my decision feel good.  
Thank you for this wonderful lesson!

Thanks.

Love it! I really learned something really funny.

Good decision, because I'm not getting married but I'll stay abstinent. Thanks for coming to our school. Many needed to hear what you had to say.

Robin is awesome!

It was amazing.

It was funny.

Excellent program.

I will tell my mom.

I've tried to stop my boyfriend, but he won't.

I think this program is great.

Not to have sex because it leads to a bad thing and can affect your life.

I really enjoyed you.

You're really funny and it's better than the guy we saw last year.

I'm not sure I'm going to wait but I'll try.

I enjoyed the program. I learned a lot today.

The program really helps you think before you do.

It was excellent and very informative!

Kids don't want to listen to this bullshit.

Sex is great. OMG. Best feeling ever.

All the time. I will be more careful!

I think if someone wants to have sex, they should do it.

With me being gay, this was a good program.

I won't be abstinent for you. It's time now.

I learned a lot.

Thanks for coming. I learned a lot of things I didn't know before.

Good program.

Excellent program! I love it.  
I'm in love.  
You need to check out some more of the legal terms and get more information straight. Also go into homosexual needs and diseases.  
Sex is great.  
Very informative.  
The program was funny.  
I love this program.

#### **Girls**

You were awesome.  
I liked the presentation, but I had already made the decision to wait until marriage.  
Most of the kids here have had and are having sex already and some are teen parents. So I don't think the program affects them.  
I love sex.  
Brick squad!  
I enjoyed the presentation today with Robin. I have been trying to not have sex, last time when Aim was here I decided to stop and I lasted 6.5 months but I broke down, so now I'm going to try again. You're hilarious!  
Thanks for coming to our school.  
I learned a lot of something.  
You're funny.  
You did a good job of explaining.  
I loved the program.

This was awesome.  
I am not stupid. I take all precautions and have no intention of going to prison.  
I love Facebook.  
I loved it. More kids should hear this. I always regret having sex. Me and my girl were happy until we had sex.  
I really appreciate you coming and I am really thinking about being abstinent from now on. It's true that I wish I would have waited. Thank you for coming.  
I got AIDS and I want you to have them.  
Sex is not that great.  
This is whack.  
Love it. Awesome job. Thank you.

#### **Girls**

The program was good and fun and understanding I guess. You're very funny and cool you did a great job.  
This was a great thing you did because I didn't know a lot about that stuff you said up there.  
Good program.  
You are very awesome and funny. You are a great speaker.
