- I. Old Business: Head lice advice- from Department of State Health Services. As of December 20, 2012 the advisory notes that children with live lice are no longer required to be excluded from Texas schools. Will continue to educate parents and keep everyone updated on this new standard. As of now HISD will not be changing protocol. Will revisit next school yr.
- II. New Business: Annual SHAC reviewed
- III. Open discussion:
- IV. Meeting adjourned
Next scheduled meeting will be in September 2013.
