

Morning Student Drop Off Procedures

As you enter the drive turn to your right and stay to the outside of the lane. Please form one line to the right and stop in front of the crosswalk. Staff members will be there to take students out of the car and make sure they enter the building safely.

Afternoon Student Pick Up Procedures

In order to reduce the number of vehicles on the highway during dismissal we have expanded our parking lot and modified our pick-up procedures. As you enter the drive turn to your left and stay to the outside of the lane. Turn right and proceed down the middle of the parking lot. Turn left at the end of the parking lot and proceed to the front of the school. Please stop at the designated Staff member who will be there to place students safely in their vehicle. *As a result of these changes the middle of the parking lot will not be assessable from approximately 2:45 pm until dismissal is completed.*
