Mission Statement

Stewart Elementary strives to educate the whole child by building strong partnerships between home and school. Through active involvement and shared responsibilities, together we will empower our students to be enthusiastic life-long learners with a thirst for knowledge.

Vision:

Our school will:

- Welcome parental involvement and provide opportunities for open communication
- Provide a safe environment of high expectations, which will promote a joy of literature, build confidence in mathematics, and spark scientific discovery.
- Encourage students to become responsible citizens of our community by embracing diversity and by cultivating respect for self and others.

Goals

Goal #1: Make academic achievement and student performance the primary priority of Stewart Elementary

Goal #2: Recruit, Reward, and Retain Highly Qualified Staff

Goal #3: Maintain a safe and disciplined environment conducive to learning

Comprehensive Needs Assessment

Demographics

Demographics Summary

Stewart Elementary is a 3-5th grade campus of approximately 392 students. The ethnicity breakdown for the campus is as follows: 40.3% African American; 32.2% Hispanic; 23.2% White; 3.1% Two or more races; and .3% Asian. 80.1% of the students are economically disadvantaged with 10.8% ELL and 18.9% receiving special education services. Class sizes are below the state average with a 17.9 teacher to student ratio. Campus membership has a 17.8% mobility rate compared to the State rate of 15.4%. 42.1% of teachers on staff are in the 1-5 years' experience range with 8.4% holding masters degrees. In addition, only 5.8 staff members have more than 10 years experience.

Demographics Strengths

By being able to keep class size under the state average, teachers and staff are able to build quality relationships with students and help provide needed support both emotionally and academically to our student population. This helps address gaps that can form with students who are economically disadvantaged, English language learners, served by special programs, and a higher mobility rate be more successful in the education setting.

Demographic Needs

- Increase academic, advancement, and enrichment opportunities for students
- Increase opportunities for parents/guardians to get involved in the educational process.
- Increase attendance rates for both students (97% or above) and staff members.
- Increase the number of teachers on campus who have 5 or more year's experience working with at-risk populations.

4 th Math	17%	28%	54%
5 th Reading	40%	35%	25%
5 th Math	28%	50%	21%

Student Academic Achievement Needs

- Increase student achievement on all assessments at all criteria levels
- Increase student academic growth
- Increase instructional rigor and expectations
- Increase number of students who are on or above level in reading (baselines come from I Station)
- Monitor instruction through frequent meetings to analyze data and implement interventions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

District/campus goals; current and prior year(s) district/campus improvement plans; district/campus planning and decision-making committee(s) meeting data; state and federal requirements; etc.

Accountability Data

Texas Academic Performance Report (TAPR) data; Performance Index Framework data; Accountability Distinction Designations; Federal Report Card data; PBMAS data; etc.

Student Assessment Data

State and federally required assessment information; State of Texas Assessment of Academic Readiness (STAAR) assessment data; Texas English Language Proficiency Assessment System (TELPAS) data; I Station, and other assessments; local unit assessment data; attendance data; discipline data; report card grades; observational data; etc.
